Dear Mr. Ehrlich:

Attached is a copy of a just received "Notification of Defective Response" dated March 17, 2003. It appears that the U.S. Patent and Trademark Office has not yet changed its record so as to indicate correspondence with you on this matter and not with our firm. Please confirm that you are filing a Revocation of our power of attorney and an appointment of a new power of attorney in your favor as soon as possible.

Also, please note that the attached Notification sets a one month response period thus requiring a formal written response on or before April 17, 2003.

The Notification acknowledges our having filed a "response" on May 4, 2000 but objects because the inventor's declaration accompanying that response did not include the signature of one of the inventors. There is no apparent recognition that this is quite appropriate in view of our concurrently filed Petition under 37 C.F.R. §1.47(a) indicating that the second inventor was refusing to sign.

Your hand-written instructions received by facsimile on October 22, 2000 indicate that you are handling prosecution of this matter independently at your end and will not provide any instruction to us and that we have no further responsibility in this matter. It would be greatly appreciated if you would confirm the fact that you have at least received the herewith attached Notification and that you have accepted full responsibility for further compliance and response,

Mr. G.E. Ehrlich  
March 24, 2003

etc. As noted above, it would also be greatly appreciated if you would confirm that you have a filed a Revocation of our past power of attorney and an appointment of your own in place of that.

With kindest personal regards,

Very truly yours,

**NIXON & VANDERHYE P.C.**
